Celebrating Great American Performance

*The Western Michigan Camaro Club
Founded in 1975*

Our mission is simple: celebrate one of the greatest names in Detroit automotive history, the Chevrolet Camaro. If you enjoy collecting, driving, looking at or wishing you owned a Camaro, we invite you to join us.

How does the song go?

"Get your motor runnin', head out on the highway, lookin' for adventure, or what ever comes our way....Born to be Wild.... "

We'll, we're not exactly wild, but we do like to have a good time. Our members are students, engineers, business owners, shop workers, moms, dads, gramps and grannies, too.

Whether you drive a low mileage, matching numbers '69 Z/28, a replica pace car or a budget '87 IROC built from two other cars, don't worry. We believe every Camaro is a classic.

The activities are just SSuper....

In addition to meeting once monthly to conduct club business, we schedule many other fun outings like; cruise nights, trips to local circle tracks and drag strips, car caravans to national or regional events, road rallies, holiday parties and more.

Cheap entertainment....

Yearly dues are only \$30 for the first family member and \$15 for spouses. That's an entire year's worth of fun for about the same cost as dinner and a movie. Your new membership includes a club t-shirt, member badge, window sticker, club roster, parts discount at Berger Chevrolet and an open invitation to share in all events and activities.

The finish line....

Well, that's our Club. The only thing missing is YOU. Call Club President Doug Warren at 616.531.7482, or visit our web site at www.wmcamaro.org. We look forward to meeting you.

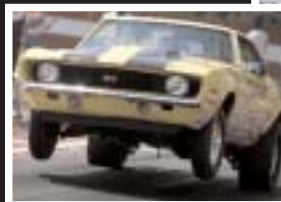

Dear Enthusiast,

The name Camaro comes from the french word meaning "friend, pal, or comrade." And this great American performance car has brought people from all over the world together in a bond of friendship that will last a lifetime.

I encourage you to spend time with my friends from the Western Michigan Camaro Club (WMCC) and learn more about their fine organization. In addition to promoting the past, present and future of the Chevrolet Camaro, they're just fun-loving people who enjoy getting together with other like-minded Camaro people."

WMCC is sponsored by Berger Chevrolet, one of the great names in dealer-built, high performance Camaros.
