Berger Chevrolet All GM Show

Planning for the Berger Chevrolet 23rd Annual All GM Show is under way. The show will be on August 27, 2022!

We will once again be returning to the Track on Friday, August 26, 2022 for Track Day at US131 Motorsports Park in Martin, MI.

We need those feature cars, if you have feature cars please get me their info ASAP.

WMCC Camping trip 2022

Memorial day weekend was the 2022 WMCC Camping trip @ White River Campground in Montague Michigan. It was a great weekend! In attendance were Gib & Tammy Loudon, Al & Jan Boyer, John & Cheryl Smith, Carl & Teresa Lins, Dennis & Bonnie Edwards, Chuck & Renee and Shelley & I. Steve and Kathy O came to visit on Saturday and enjoy the day with us. Thanks to Bonnie for setting this weekend up and Shell & I are looking forward to next year. See Photos later in newsletter.

WMCC Color Tour 2022

Fall Color Tour 2022 will be October 6th, 7th, and 8th. Departing from ONE 9 (old Pilot) gas station on M-66 just north of I-96 at the Ionia Exit #67. Following the back roads where possible making our way north to Lewiston Michigan.

We will be spending all three nights in the area at The Redwood Motor Inn. It is a nice motel that is reasonable priced at \$80, 90, 100, and 110 pre night depending on what you pick. They will give us \$10 off per night IF we get more than 10 rooms. They do have a fire pit in the front court yard, cement parking in the front and side with partial dirt in the back. The parking in the back is cement but you will drive on Dirt to get there. There was no coffee in the room that we stayed in but the lobby had plenty and small Danishes. There are ample restaurants in the area for breakfast and supper. Also might want to ask about extra pillows.

**Doug Warren, WMCC Founder
1953-2010
You will never be forgotten**

Once again they will give us \$10 dollars off a night if we get more than 10 rooms so be sure to mention the West Michigan Camaro Club when you book. I will have more information later in the year. Thank You Cheryl and John

2022 Woodward Dream Show & Car Club Corral

Friday, August 19th & Saturday, August 20th
I have finally gotten a hold of someone at M1 and will have more info soon. The person I was dealing with at M1 that ghosted us back in March is no longer with them. I have been talking with Austin there and he is very excited about our group. I am expecting a few changes after he told me the previous person was offering things and spots that just aren't available. I will pass the new info along as soon as I get it. We will need to respond ASAP as he told me he needs a car count and car info and guest list no later than June 20th. So be watching your email for that info.

The MCACN Muscle Car Meet Up June 25th, 2022

Al Boyer will be there with his 2011 Berger SS in the special MCACN display area. Bob Ashston said he would love to have other club members there also and would get us all parked together. If you plan to attend please register at the link below.

gilmorecarmuseum.org/events/muscle-cars-2

The MCACN (Muscle Car and Corvette Nationals) Muscle Car Meet Up on the lawns of the Gilmore Car Museum, in Hickory Corners, Michigan, promises to be a "fun & casual midsummer meet up" and driving event for muscle and high-performance car owners. Intentionally, the show will not include rigorous and formal points-based judging, but instead "favorite pick" awards by both MCACN and Gilmore staff, a swap meet, live rock band, curated backroads driving tour routes, a live

remote radio broadcast, and more.

The MCACN Muscle Car Meet Up will showcase classic American muscle cars from the 1960s and 70s, but is open to modern muscle like today's high-performance Chevrolet Camaros, Ford Mustangs, and Dodge Challengers. Corvettes too!

The central show field of the Gilmore Car Museum campus will be reserved for a MCACN exhibit, and an exclusive "outdoor feature display space" for only MCACN-invited special and notable muscle cars, and their owners. It should serve as a unique and picturesque display opportunity on the Gilmore's green lawns, surrounded by its towering red barns and classic 1941 diner.

As a fundraising effort, 100% of the event's show car registration funds will be directed to construction of the planned mid-century modern 1960s dealership building on the Gilmore campus, to house its new standalone Muscle Car Museum.
